II. ISU Membership

Article 6

1. General Requirements

ISU Membership may be granted to a national association located in a country in which there exists no national association for both Branches or the respective Branch of Skating already being an ISU Member. If the Council is satisfied that the two Branches of Skating are controlled by two different associations in the same country, the Council may elect two ISU Members from that country, one to be designated as Figure Skating ISU Member and the other to be designated as Speed Skating ISU Member. However, when a national association for only one Branch of Skating exists in a country, the Council may elect such national association an ISU Member and designate it either the Figure Skating ISU Member or the Speed Skating ISU Member, as the case may be. If an ISU Member is part or becomes part of an organization in its country being responsible also for other than ISU sports, the name of this organization shall make it possible to identify it as covering also the ISU sports and its organizational structure shall allow for the necessary administration of the ISU sports.

2. Provisional ISU Membership

- a) The ISU Membership of each newly admitted ISU Member shall be provisional for the first three (3) years except
- i) when a new ISU Member is created by a political division in a country where the previous ISU Member was a full ISU Member provided that the new ISU Member fulfils all the other relevant requirements for ISU Membership and provided that the new ISU Member submits evidence that its Skaters have competed in International Competitions or
 - ii) when a Provisional ISU Member before the end of the three (3) years' period proves to the satisfaction of the Council that it fulfills all requirements listed in paragraph 3 below and submits evidence that its Skaters have competed in International Competitions.
 - iii) A new ISU Member under sub-paragraph i) and a Provisional ISU Member under sub-paragraph ii) shall become a full ISU Member with immediate effect once the Council has expressed its satisfaction.
 - iv) For Provisional ISU Members not subject to sub-paragraphs i) and ii) above and paragraph 3 f) below, after expiration of the three-year provisional ISU Membership period, if the Minimum Requirements listed in paragraph 3 below for provisional ISU Membership are established to the satisfaction of the Council and provided that the Provisional ISU Member submitted evidence that its Skaters have

competed in International Competitions, the provisional ISU Membership shall become a full ISU Membership. If the Council, prior to the expiration of the three-year period, decides against granting full ISU Membership to a Provisional ISU Member, the reasons for such decision must be stated in a Council decision and published in an ISU Communication. Any decision of the Council to this effect shall be subject to an Appeal to the next Congress (see paragraph 10 below).

- b) Provisional ISU Membership may also be granted to an organization which is not a national association, but which is established in and controls either one or both Branches in a country in which there exists no national association already an ISU Member.
- c) The same general minimum requirements for full ISU Membership set forth in paragraph 3 below shall also apply to applicants for Provisional ISU Membership.

3. Minimum Requirements

In order to guarantee the activity of ISU Members in organizing and administering the ISU sport disciplines, the following minimum requirements for ISU Membership in the ISU shall be required.

- a) An applicant national association or organization must prove that it has had control of its sport disciplines as the national governing body in its country for not less than two (2) years prior to application for ISU Membership and is recognized as a voting member of the respective NOC.
- b) Applicants, Provisional ISU Members and ISU Members shall have:
 - i) a headquarters office in their respective country;
 - ii) been organized pursuant to a duly adopted Constitution and/or By Laws;
 - iii) duly elected governing body or bodies and officers;
 - iv) adopted and published Rules for the orderly conduct of their respective activities, including competitions;
 - v) accepted the ISU Statutes and specifically provided in their respective Rules that all persons under their jurisdiction shall be bound by the ISU Statutes, including amendments thereof, as a condition of participation in their activities;
 - vi) included in their respective Rules appropriate Procedural Rules necessary to effectively implement the ISU Anti-Doping Rules and specifically provided in those Rules that all persons under their jurisdiction shall be bound by the ISU Anti-Doping Rules, including amendments thereof, as a condition of participation in their activities;
 - vii) conducted national championships on an annual basis;

- viii) conducted seminars or schools for the training and/or education of officials;
 - ix) in existence in the country one or more actively operating natural or artificial ice rinks of a size adequate to practice the respective ISU sport discipline.
- c) A Provisional ISU Member shall in addition, before expiration of the three (3) year period, present proof that it has applied to the NOC of their country for inclusion as a voting member of the NOC in accordance with Article 28 of the Olympic Charter, and that such application has been granted.
- d) Should such NOC fail to grant such inclusion to a Provisional ISU Member or fail to continue such NOC inclusion for a Member, the Council may nevertheless grant full ISU Membership to the Provisional Member or maintain the respective ISU Member as an ISU Member in good standing, and may further, in its discretion, refer such lack of inclusion by the NOC to the IOC for appropriate action.
- e) Upon application or on its own initiative, the Council may, at its discretion, pardon any requirement stated in sub-subparagraphs (vii) relating to national championships, (viii) relating to seminars for officials of sub-paragraph b) above if exceptional circumstances or avoidance of hardship so warrant. When pardoning any of the requirements specified in this paragraph, the Council shall state a period of time within which the missing requirement(s) must be satisfied for the pardoned entity to continue with the ISU in good standing. Such period may not exceed three (3) years. In case that the Council decides on pardoning certain requirements, it may also decide to reduce or cancel in full any ISU contribution which is otherwise made to ISU Members.

They may not hold the office of President or member of the highest executive body of an ISU Member, and upon standing for DC election must submit to the ISU before such election a written resignation from any ISU Member office then held, conditional only upon being elected to the DC.

4. Minimum Number of ISU Members - Vacancies

- c) If such permanent or temporary vacancy occurs but cannot be filled in the above stated manner, the Council shall immediately appoint a qualified person to fill the vacancy. The term of office of a member appointed by the Council to fill a permanent vacancy shall expire at the next-following Congress. If this requires a special election at a Congress at which no general elections are held, the term of office of the member so elected shall expire when the terms of the other DC members expire.

5. Decisions

Each case shall be heard and decided by a panel composed normally of the Chair of the DC and two other members appointed by the Chair in accordance with the Rules of Procedure. Any such final decision shall however be subject to the exercise of the superior decision authority of the ISU Congress at the next following Ordinary or Extraordinary Congress. The Congress is vested with appellate and review authority to affirm, modify or reverse any such final decision.
- e) In the case a Complaint is obviously not disciplinary or ethical, or evidently lacks any ground or chances of success, the Chair of the DC may dismiss the matter without submission to the DC full panel. The DC Chair's summary decision dismissing the matter for lack of jurisdiction or evident lack of grounds is subject to appeal to the Court of Arbitration for Sport (CAS).

- c) The DC shall impose such sanction or sanctions which it finds adequate and justified by the facts of the case, by the seriousness of the Offence and by mitigating circumstances. Cooperation by the Offender may be considered a mitigating factor.
- d) A financial penalty may be imposed in concurrence with any other sanction except warning.

13. If a decision of the DC is appealed, the appealed decision does not become effective until the final decision by CAS is rendered with the exception of a decision imposing a sanction for violation of the ISU Anti-Doping Rules and ISU Anti-Doping Procedures which becomes effective immediately.

In addition, in the case of a serious violation of the ISU Statutes which reflects adversely upon the reputation or integrity of the ISU, the DC, upon a motion of the Council, or *sua sponte*, may decide that an appeal will have no suspensive effect.
